How We Made A Difference

In 2019, the outcomes demonstrated that children and families benefited by participating in Kids In The Middle programs.

85% of children developed and demonstrated the use of positive coping skills.

80% of children demonstrated the ability to identify and express their feelings appropriately.

75% of parents in Co-parenting Counseling increased effective co-parenting behaviors.

Kids In The Middle services for children are focused on one overall goal:
Children will be mentally healthy following their parents' separation, divorce or remarriage.
